WHAT IS THE LP AIRDROP PROGRAM?

The KIATOKEN Liquidity Provider Airdrop Program rewards community members who provide liquidity to our official KIA/USDT pool on Uniswap (Polygon). By adding liquidity, you help improve trading conditions for all KIATOKEN holders while earning passive income.

Your Benefits:

- Monthly KIA token airdrops (guaranteed)
- Uniswap transaction fees (earned automatically 24/7)
- Early bird bonuses for first 50 participants
- Referral rewards when you invite friends
- 24% return on investment over 3 months
- Freedom to exit anytime

IMPORTANT DISCLAIMERS

Market Risks:

Cryptocurrency prices are volatile. Tiers/rewards fixed regardless of price changes. Impermanent loss may reduce returns.

Smart Contract Risks:

Uniswap is third-party. KIATOKEN doesn't control smart contracts. Only invest what you can afford to lose.

Security:

Never share private keys. Verify pool addresses through official channels only.
